WIFE WILL TESTIFY AGAINST HUSBAND IN TRIAL FOR MURDER

Kriegleder Is Accused of Killing Friend and Girl Who Defended His Wife.

The unusual spectacle of a wife testifying against her husband, who is charged with murder, will be a feature of the trial of Joseph Kriegleder, which began to-day before Justice Shearn in the Criminal Branch of the Supreme Court. Kriegleder on Jan. 27 killed Miss Marian J. Franklin and John Christopher in the apartment at No. 145 East One Hundred and Fourteenth Street, of which he was janitor.

The double murder, it is alleged, grew out of Kriegleder's brutal treatment of his wife. She complained to Miss Franklin, who lived in the house, and Miss Franklin wrote to John Christopher, an engineer of Union

Course, L. I., who had long been a friend of Kriegleder's and was supposed to have some influence over him.

Christopher came to New York and, together with Miss Franklin, berated Kriegleder for his treatment of his wife. Kriegleder was drunk and sullen. After a long talk he invited Christopher to the cellar to look at the boiler which, he said, was out of order.

Christopher, unsuspecting, was tinkering around the boiler, when Kriegleder, it is charged, crept up behind him and smashed in his head with a furnace bar. Christopher dropped dead.

Kriegleder then went to the room of Miss Franklin. She was in bed. He killed her, it is charged, by crushing in her skull with a hammer. After a vain hunt for his wife, Kriegleder made a round of the saloons in the neighborhood and was arrested in one of them the next day. Blood was on his clothing and hands.

Kriegleder charged his wife with the murders and she was arrested, too. The District Attorney ordered her release, after an investigation.

AT VILLA'S REQUEST BRYAN ASKS CLEMENCY FOR DOOMED MEXICANS

Five Men Are Under Sentence to Be Hanged To-morrow in Arizona.

WASHINGTON, May 27.—Acting upon a request from Gen. Villa, Secretary Bryan to-day telegraphed to Gov. Hunt of Arizona suggesting commutation of sentence of five Mexicans condemned to die to-morrow for murder.

In commenting on the cases, Secretary Bryan pointed out that Gov. Hunt himself is opposed to the death penalty, and that a recent vote showed there was a large sentiment in the State opposed to it.

PHOENIX, Ariz., May 27.—Near collapse, five men doomed to hang in the State penitentiary to-morrow awaited to-day's meeting of the pardon board with desperate hope. Gov. Hunt, although a foe of capital punishment,

is powerless to intervene. The gallows were tested to-day with dummies, the dull jar as the trap was sprung easily reaching the ears of the doomed men in nearby death cells. The condemned men do not know which is to go to the gallows first. The men will be despatched one at a time if the pardon board does not commute their sentences to life imprisonment. The first hanging will take place at 10 A. M. It may be 4 o'clock in the afternoon before the last of the quintet is dead. Sixty invitations to the executions have been issued.
